

Welcome to...

King's Lynn and District Society of Model Engineers

Membership Information & Application Form

People can be sure of a very warm welcome at any time if they visit our club with the intention of finding out about us, or as a family bringing children along for a free ride our miniature railway every Sunday (April - October) and Wednesdays during school holidays. Our Members meet every Wednesday to chat, drink tea and carry out jobs to improve and maintain our facilities, or to work on their own projects. There is no compulsion to work but when necessary we all do our bit in whatever way we can.

Who are we?

We are a small and friendly club catering for members of either sex and from all walks of life who share an interest of making, owning and running models of various kinds of transport, agriculture machinery, static engines and any other miniature projects.

Why Join KLDSME?

- Active 5 inch & 7 ¼ continuous track miniature railway available for members use
- Well-equipped workshop
- Help from other members
- Licensed boiler testers
- Monthly meetings
- Quarterly online newsletter "Puff 'n Stuff"

Our Workshop

Our well-equipped workshop has bench facilities and the following equipment is available for members to use:

- Lathe
- Milling Machine
- Powered Band Saw
- Pillar Drill
- Arc & MIG Welder

What Do You Have to Offer?

- We only ask that you have:
- Willingness to share your experience and help other members
- An interest in making things
- A good sense of humor
- Your own mug (for tea & coffee)

Please fill in the application form on the next page
